

The City School District of Albany  
and the Albany City Council Parent-Teacher Association  
invite you to

## **A COMMUNITY FORUM ON THE 2009-2010 BUDGET DEVELOPMENT PROCESS**

How can we do more for our city's children with much less  
amid the most difficult economic times our state and nation have faced in decades?

Please join us for these opportunities to share your opinions and to learn more  
about the City School District of Albany's 2009-2010 budget development process.  
Representatives from the school district will provide information about  
recommendations the Board of Education is considering as it seeks  
to balance harsh fiscal reality with the responsibility to provide  
high-quality educational, social, health and extracurricular services  
for all of the school district's students.

**Wednesday, March 11**

**6:30 – 8 p.m.**

**Albany Community Development Agency**
