Important information about your child's bus stop

The City School District of Albany's Transportation Department sends a letter to families in late August informing them of their child's bus number, pick-up and drop-off times, and the location of the neighborhood bus stop for the 2008-09 school year. If any of the information is incorrect, contact the Transportation Department immediately at 462-7320.

Please have your child at the bus stop at least 10 minutes before the designated pick-up time. If your child receives door-to-door pick-up, he/she must be outside of your home when the bus arrives.

Please note that pick-up times, bus stops and bus routes are subject to change during the school year.

Attention parents of first-graders: Door-to-door bus pick-up and drop-off service typically is not provided to students once they begin first grade. Please pay particular attention to the location of your child's new bus stop. Students will not have to walk more than one-half mile (0.5) between their home and their pick-up or drop-off site. If you have any questions about your child's bus stop, contact the Transportation Department at 462-7320.
