Capital Reserve Fund

Also on the ballot May 15, the district is seeking approval to set up a new Capital Reserve Fund (Proposition #2).

- The account would be set up but not funded until a later date.
- It could only be funded by board resolutions in the future.
- Its future use would be restricted to capital projects and require voter approval each time.
- A Capital Reserve Fund is a financial tool that can be funded over time with budget savings and/or one-time financial gains.
- It would not increase your taxes, and would help reduce them in the future to maintain our 21 buildings and meet educational needs.

16

Ballot Propositions

The three ballot propositions voters will consider May 15 are:

- **Proposition #1:** Shall the resolution adopted by the Board of Education on April 12, 2018 authorizing the City School District of Albany to expend the sum in the amount of \$249,447,555 during the 2018-2019 school year, and to levy a tax therefore be approved?
- **Proposition #2** SHALL the Board of Education of the City School District of Albany be authorized to (1) create a new Capital Reserve Fund for the purpose of financing the purchase of, and general improvement, reconstruction, renovations or additions to the District's buildings, including the acquisition of sites, site work and the acquisition of original furnishings, equipment, apparatus required for the purpose for which such buildings are to be used; (2) the maximum amount of such fund shall be capped at \$18,000,000.00; (3) deposit into the Capital Reserve Fund such portion of the General Fund, unallocated fund balance, and/or the unencumbered proceeds from the sale of school buildings, as determined by the Board of Education. The probable duration of the Capital Reserve Fund is twelve (12) years.
- **Proposition #3** will be the annual Albany Public Library budget vote. This is completely separate from the school district.
