DISTRICT **GOALS**

Increase student achievement; Enhance the delivery of quality instruction; Build our leadership capacity; Empower families; Partner with our diverse community

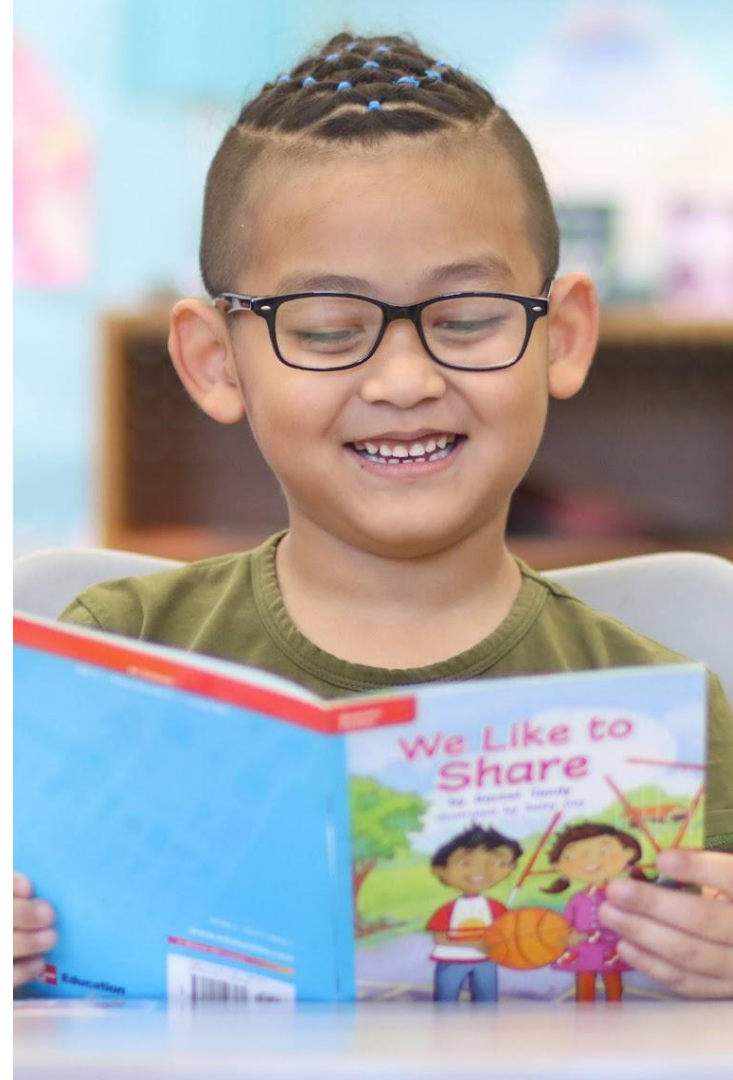

Tonight's Agenda

- 2024-25 budget proposal
- Additional propositions
- Board of Education election
- Albany Public Library budget proposal
- Voting information
- Budget calendar

Highlights of the budget proposal

- No tax-levy increased proposed for the second year in a row and the fourth time in the last nine years
- Maintains all current programs and staffing
- Supports additional investments to maintain key district initiatives and to provide opportunities our students need and deserve

Budget development goals

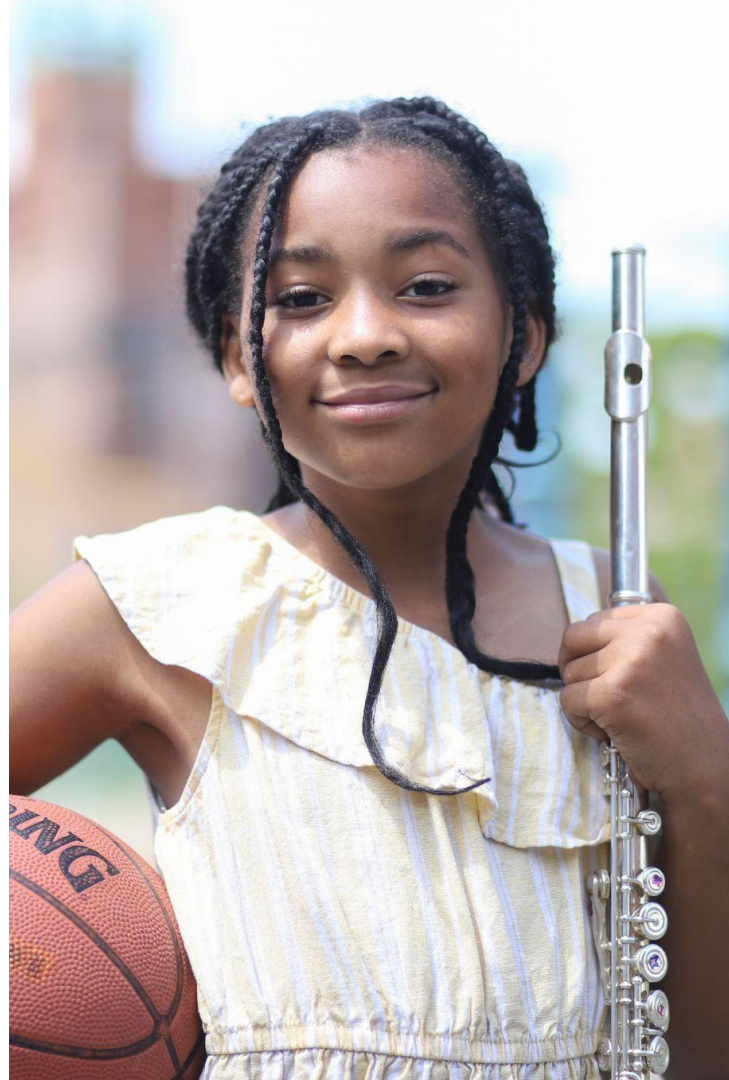

- Support student academic and social-emotional needs as we continue to rebuild from the pandemic
- Strategically plan in a fiscally responsible manner for continued student support and growth following expiration of the district's one-time COVID-19 relief funds at the end of this summer
- Minimize the tax impact on residents

What the budget supports

The annual budget supports a wide range of programs and services to support students' growth, development and success.

What if the budget is not approved?

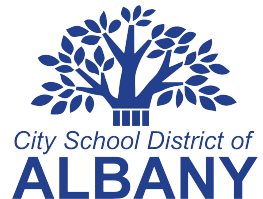

If voters do not approve the budget proposal on May 21, state law gives the Board of Education three options:

- Put up the same proposal for another vote
- Present a revised budget for voter consideration
- Adopt a contingency budget

If the board opted for a second vote and it also failed, state law would require the district to adopt a contingency budget. This would require reductions totaling \$126,458 from the current budget proposal.

A contingency budget:

- Requires community groups to pay for the use of school buildings
- Requires cuts to specific areas, including potential cuts to staffing and programs
- Prohibits spending on student supplies

Also on the ballot May 21

There will be three additional school-related propositions on the ballot this year. **None of these propositions would have any additional impact on taxes.**

Proposition 2

- This would allow the district to create a Capital Reserve Fund for future facilities improvement and other related needs
- Creating a Capital Reserve Fund requires voter approval
- All future deposits would require Board of Education approval; all withdrawals would require voter approval
- The highest amount that could be set aside in this fund would be \$20 million.

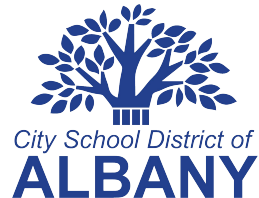

Also on the ballot May 21

Proposition 3

- This would allow the district to purchase two 10-passenger vehicles to help with student transportation needs such as transportation between buildings during the school day and athletic events
- Maximum total cost: \$140,000
 - The state would reimburse the district 79% of the total cost, bringing the overall district investment to less than \$30,000
- The purchase would be paid for through the general fund if voters also approve the 2024-25 budget proposal

Proposition 4

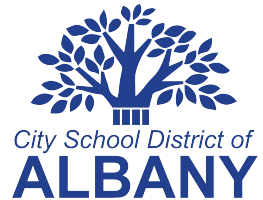

- This would allow the district to buy a parking lot on Spruce Street near Academy Park
- Maximum cost: \$170,000
 - The district currently leases this lot for \$21,600 annually
- Funds would come from the district's operating fund balance
 - The purchase would pay for itself in eight years through the annual savings in lease payments

Board of Education election

One Board of Education seat is up for election May 21.

Hassan Elminyawi is running for re-election. There are no other candidates.

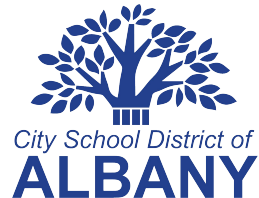

Albany Public Library budget vote

In addition to the school-related items on May 21, the ballot also will include the Albany Public Library's annual budget proposal.

- **Proposition 5** – The library's proposed 2024-25 operating budget, which is \$7,864,740
- There are three library Board of Trustees positions up for election this year

For more information about the library budget, visit albanypubliclibrary.org or call Stephanie Simon at (518) 708-3912.
