May 9, 2023

Dear Families,

Tragically, our school community suffered another loss Monday with the death of one of our students. We want to let you know that the City School District of Albany immediately mobilized its crisis support protocols Tuesday morning to provide support to everyone in our school community affected by this loss.

The passing of someone we care about can affect us in so many ways. Now, or in the coming days, weeks or even months, your child may have a variety of feelings. Our crisis response specialists will remain available at school for your children, and we ask that everyone remain sensitive and respectful to all who may be impacted by this loss.

As a school community, we will mourn this loss together. Should your child or your family need support, please reach out to our staff at school at (518) 475-6525 and we will share resources with you.

If you have concerns about your child, please let a teacher, staff member or administrator know. We are here to support you if you have any questions or concerns, or need to talk.

Sincerely,

Teresa Adalian
Assistant Principal
